Transcription Editor Configuration

FromThePage can support mark-up within transcripts in either TEI-XML or HTML forms. We recommend configuring no more than six buttons to appear on the transcription editor. Consider whether other systems will be able to use this kind of mark-up; if only plaintext is supported, projects should use letterpress conventions instead of mark-up.

- 1 to make less harsh that which is now
- 2 too bitter. My sighs flee [function] elsewhere
- 3 rather than always here, where
- 4 my pain burns within, and
- 5 my tears fall on my breast return,
- 6 squeezed from the heart.

- 8 [as much as] I will keep it in darkness
- 9 within my breast, so much might its
- 10 impetus and rage be dispersed. Philarco.
- 11 As I see you wander alone among
- 12 these woods, so afflicted, I cannot, my dear Pallimaco,
- 13 keep myself from wondering, and I greatly desired to know,
- 14 whence [would come] on your brow,
